Learning to Recognise and Name Feelings: What Do I Feel and How Do I Deal with It?

- ready to use: 30 picture cards about feelings in A5 format, sorted into five themes
- includes a versatile variety of inspiring fantasy journeys, prompts, and breathing exercises for relaxation
- practice emotional self-regulation together in daycare and primary school

Move with your emotions!

Recognising and regulating emotions
by Josephin Kohl
illustrated by Katharina Reichert-Scarborough
from the series „Body Work and Inner Balance - 30 Ideas on Picture Cards“

boxed set of 32 cards (DIN A5) and methodical instructions.

€ (D) 21,00
EAN 4260694 92325 2

Am I happy, sad, or something else entirely? How does it feel, and most importantly, how do I handle it? Children need to learn to name their emotions and to manage them. This set of picture cards is packed with prompts and physical exercises to help children develop an awareness of their emotional world. Suitable for children ages 4 and up and is ideal for use in daycare and primary school settings.

Calmness, Safety, and Togetherness in the Classroom with Rituals Instead of Classroom Rules and Bans

- a collection of ideas for primary school: morning rituals, farewells, weekly and transitional routines for various classroom phases
- ideal for professional development: detailed insights into the significance of rituals and routines for primary school children
- practical for lesson planning: fixed routines simplify time management

Children need consistent points in their daily schedule to provide guidance and stability. This set of 30 picture cards offers impulses for helpful rituals: from starting the school day calmly to smooth transitions between lessons, concentration routines, and more. These practices provide students with valuable support to stay focused during lessons.

For Happy Primary School Children

 **ages 6 to 8**

- practice reading with engaging fairy tale puzzles: The story of The Frog Prince
- designed to challenge: 33 quiz questions for children, with answers provided on the back
- develops reading skills and text comprehension simultaneously

Practice Reading with Picture Puzzles: The Frog Prince

Language development for primary school children in grades 1 and 2
Lesson units for school social work and lessons in Years 1 and 2. Foundation set for primary school by Helga Fell illustrated by Petra Lefin

from the series „Basic Competencies in Pre-school and Primary School: Exercises and Games“

Box, 34 cards (DIN A5); includes a methodical guide

€ (D) 22,00

EAN 4260694 92335 1

Who's stuck to the wall? What is the girl holding in her hand? These and many other questions challenge children in Grades 1 and 2 to solve picture puzzles based on the fairy tale The Frog Prince. Whether working alone or together, they can practice reading abilities and text comprehension in a playful manner.

- violence prevention in primary school: Learning to accept and manage anger constructively
- resilience training designed by experienced educators and a youth social worker
- practical text and picture cards for use in primary schools, after-school programmes, and special education settings

Resilient Through the School Year:

My Fear, My Anger, My Perception of the World

by Julia Hornung, Dorena Genge, Andrea Zran and Hanna Acker illustrated by Diana Kohne

from the series „Basic Competencies in Pre-school and Primary School: Exercises and Games“

Box, 54 cards (DIN A5); includes a methodical guide

€ (D) 22,00

EAN 4260694 92232 3

The ability to handle challenging emotions is essential for developing resilience and self-esteem. Guided by Resi the Turtle, children engage in four lesson plans that strengthen their emotional resilience, laying the foundation for long-term inner stability.

Participation for All! How Children Grow into Democratic Processes

- democracy education for children ages 6 and up on a tile-circle with real-life examples
- understanding and experimenting with forms of participation from a young age
- classroom councils, diversity of opinions, and more: 10 key topics for teaching democracy in school

This is how Democracy works!

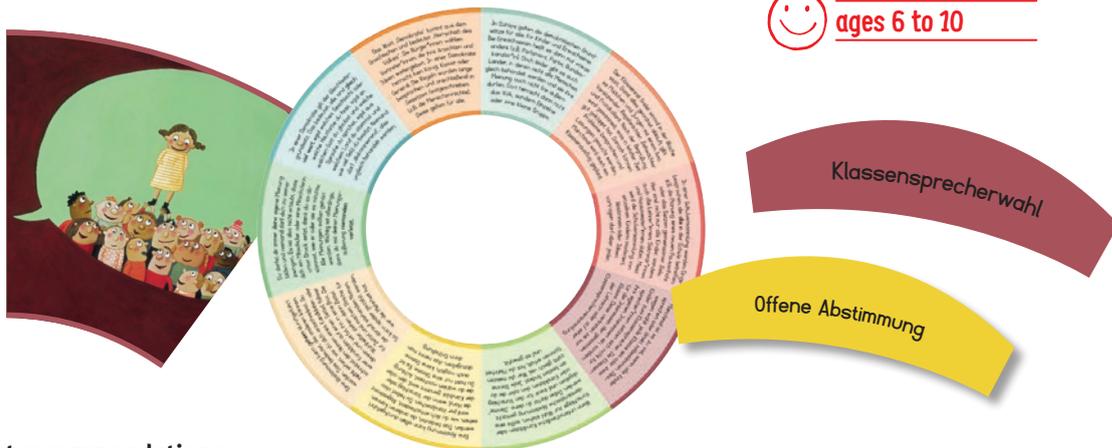

A tile-circle for primary schools in 10 pictures by Melanie Fenzl illustrated by Manuela Otten

from the series „Don Bosco laying circle for Kindergarten, Pre- and Primary School“

32 cut-out elements for a tile-circle, instruction and text booklet, 8 pages, DIN A4

€ (D) 15,00
EAN 4260694 92342 9

What is the majority principle? How does a secret ballot work? And what opportunities for participation are available for primary school children? This is how democracy works! explains key democratic principles and processes with 10 thematic blocks. The 32 elements offer versatile ways to engage children ages 6 and up in the topic of democracy, making it easier for them to grasp.

First Aid in Schools and Daycare: Vividly Conveyed with Kamishibai

Sara's friend Emil falls from a rope at the playground. While her grandfather calls the Emergency Medical Service, Sara learns how important it is to know about first aid measures. With this realistic educational story for the Kamishibai storytelling theater, Silke Bicker reduces children's fears and explains how to respond to emergencies. Engagingly presented and vividly narrated!

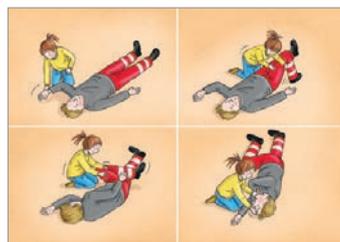

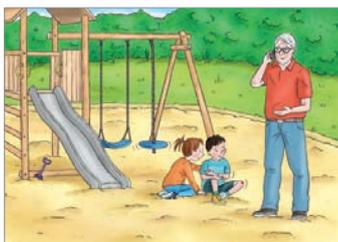

- what should I do if I witness an accident? First aid knowledge for little helpers
- covers the rescue chain, the importance of comforting, and how to apply a pressure bandage
- perfect for preparing children for a visit from the emergency services in daycare or primary school

Early Childhood Development – Causes of Challenging Behaviour

Screaming toddlers, children who bite others, sleeve-chewers, or slow-movers—daycare isn’t always harmonious. But what are children trying to communicate through challenging behavior? This picture card set explores typical behavioral patterns in daycare, offering explanations, solutions, and reflection tools for educators.

- 15 case studies from daycare practice present compassionate strategies for working with „problematic“ children
- from „bossy kids to disruptors“: Real-life daycare scenarios with insights, solutions through play, space design ideas, and developmental support strategies
- includes a companion booklet, downloadable materials, and reflection questions for you and your team

Expressing Faith Through Movement: The Lord's Prayer and Bible Stories for Children

- asanas for children's church services on 14 double-sided picture cards with exercises and prompts
- includes a guide card with practical tips for yoga exercises with children and downloadable materials
- for preschool groups and children's church: Discover the good tidings through play and movement

Children love to move—why not celebrate a church service with the whole body? These yoga picture cards bring innovative ideas to creative children's ministry. From Yoga Easter to the Lord's Prayer in asanas, or body awareness with Bible stories, this set helps you create engaging and participatory worship services for movement-hungry kids.

Explaining Death to Children: A Journey Into the Unknown

Where do the larvae go when they leave the bottom of the lake? And why can't they come back to tell their friends about it? This English fable, which portrays the unbridgeable boundary between life and death, helps children explore the concept of dying without fear. Instead, the Kamishibai story opens doors to philosophical discussions about the mystery of death!

- **no way back:** The dragonfly cannot share its experiences with the larvae
- **inspires philosophical conversations** about dying, death, and what might come afterward
- **use Kamishibai storytelling** to introduce children to a taboo topic

Learning About Emotions with the Storytelling Theater: A Story About Change in Life

We are all valuable and unique: This is something the three friends—Raven, Squirrel, and Glitter Flower—know for sure! Together, they experience a wonderful summer, but in the fall, it's time to say goodbye... A sparkling Kamishibai story about friendship, individuality, and changes in life, ideal for children from three to seven years.

- Kamishibai stories approach sensitive topics in a child-friendly way: Farewells, new beginnings, and friendship, all wrapped in the life cycle of the Glitterflower
- together, we reflect on diversity and inclusion: Suitable for kindergarten and primary school
- a friendship story with a surprising happy ending
